For information regarding this project, prospective bidders are requested to contact Chase Cooper, Project Manager at California Professional Management (909) 552-4887 (phone) or ccooper@cpmcrew.com (email).

Attention is directed to the requirements of the Information for Bidders regarding goals for Disabled Veteran Business Enterprise (DVBE) participation on this project. This project has a goal of 3 percent DVBE participation.

Each bid shall be accompanied by Bid Security, Verification of Contractor and Subcontractor DIR Registration, list of Designated Subcontractors, Certificate of Recycled Content, Noncollusion Declaration, Iran Contracting Act Certification, Site Visit Certification, and Employment Certification, and Acknowledgment of Bidding Practices Regarding Indemnity required by the Instructions to Bidders.

Bidders are advised that this contract is a public work for purpose of the California Labor Code, which requires payment of prevailing wages. Wage rates can be obtained from the Director of the Department of Industrial Relations at <http://www.dir.ca.gov/OPRL/dprevagedetermination.htm>. No contractor or subcontractor may be listed on a bid proposal or awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5. <http://www.dir.ca.gov/Public-Works/PublicWorks.html>. This Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. (Labor Code §1771.4).

The Director of the Department of Industrial Relations shall determine the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which the work is to be performed for each craft, classification or type of work needed to execute the contract. Holiday rates shall be paid as specified in the collective bargaining agreement applicable to each particular craft, classification or type of work employed on the project.

Copies of schedules of rates so determined are available on the internet at http://www.dir.ca.gov/dir/S&R/statistics_research.html.

In accordance with Section 1773.2 of the California Labor Code, the Contractor shall post a copy of the determination of prevailing rate of wages at each job site.

The schedule of per diem wages is based upon a working day of eight (8) hours. The rate for holiday and overtime work shall be at time and one-half.

The Contractor and any subcontractor(s) shall pay not less than the specified prevailing rates of wages to all workers employed by them in the execution of the contract.

The successful contractor and all of its subcontractors for the project will be required to attend a mandatory Pre Construction Conference before commencing work. During the Pre-Construction Conference, the District's Labor Compliance Program (LCP) and the state labor law requirements applicable to this project will be discussed. The contractor and all subcontractors will be required to certify that they acknowledge and understand the District's LCP and all of the state labor law requirements for this project. The successful contractor or any of its designated subcontractors shall not perform any work on the project prior to attending the Pre Construction Conference and executing the appropriate certification.

A payment bond and performance bond will be required prior to the execution of the contract. The payment bond and performance bond shall be in the form and amount set forth in the Contract Documents.

In accordance with provisions of Public Contract Code Section 22300, substitution of eligible and equivalent securities for any monies withheld to ensure performance under this contract will be permitted at the request and expense of the contractor.

Pursuant to Public Contract Code Section 3300 and Business and Professions Code Section 7028.15, each bidder shall possess at the time of the bid the license classification as follows below. The successful bidder must maintain the license throughout the duration of this contract.
